

INDONESIA · ISLAND EDITION

Bali & Nusa Penida

A considered guide for the Island of the Gods

15 — 23 AUGUST 2026 · 7 NIGHTS / 8 DAYS

EIGHT DAYS · TWO ISLANDS

Destinations *& Climate*

Warm coastlines, cooler highlands and a dry-season sea breeze

THE ROUTE

South Bali

DAYS 1 & 3 · ARRIVAL, NUSA DUA, MELASTI & ULUWATU

23°–30°C COAST

Sunny, humid and warm. Pack light layers for the Kecak performance after sunset.

Bedugul & Ubud

DAYS 2 & 6 · HIGHLANDS, VOLCANO & WATERFALL

18°–27°C HIGHLANDS

Cooler and occasionally misty around Ulun Danu and Kintamani; bring a thin jacket.

Nusa Penida

DAYS 4 & 5 · EAST & WEST COAST

23°–29°C ISLAND

Dry, sunny and breezy. Sea conditions can affect speedboats and snorkelling plans.

Leisure Day

DAY 7 · BALI AT YOUR OWN PACE

23°–30°C COAST

Ideal for a spa, cafés, beach clubs or pool time; use high-SPF sun protection.

SEASON
Dry season
August is normally one of Bali's driest months.

PACK FOR
Sun & wind
UV protection, a light layer and a compact rain shell.

ON THE WATER
Be flexible
Boats and snorkelling are weather and sea-state dependent.

Climate guidance reflects August norms and the 2026 dry-season outlook. Daily marine and weather conditions may change; follow the trip manager and operator instructions.

VOLUME III · PACK LIGHT

The Traveller's *Almanac*

A practical checklist for temples, beaches and island crossings

◆ ESSENTIALS TO PACK

01 · Passport & e-VoA — carry your passport, visa approval/QR code, return ticket and accommodation details; keep digital backups.

02 · Light tropical clothing — breathable tops, shorts and a modest layer for temples.

03 · Temple attire — sarong and sash, or borrow/rent where permitted; shoulders and knees should be covered.

04 · Swimwear & cover-up — for pools, beaches and optional water activities.

05 · Reef-safe sunscreen SPF 50+, sunglasses, sun hat and lip balm.

06 · Light jacket / cardigan — for Bedugul, Kintamani, air-conditioned transport and evenings.

07 · Comfortable sandals & trainers — use secure footwear for uneven steps and cliff viewpoints.

08 · Compact rain shell — rain is less likely in August but always possible in the tropics.

09 · Reusable bottle — use sealed or refilled drinking water; avoid tap water.

10 · Personal medicines — plus ORS, anti-diarrhoea medicine and motion-sickness medicine if suitable for you; consult your doctor.

11 · Insect repellent — especially for evenings and greenery.

12 · Power bank & universal adapter — Indonesia commonly uses Type C/F sockets, 230V.

13 · Dry bag / waterproof pouch — useful on the Nusa Penida speedboat and for phones.

14 · Cash, card & small bag — Indonesian rupiah is useful for personal purchases and optional activities.

15 · Nusa Penida overnight essentials — keep a change of clothes, toiletries, medicines, swimwear and electronics easy to access for the two-night island stay.

16 · Respectful behaviour — do not climb sacred structures, fly drones without permission or enter restricted temple areas.

VOLUME IV · BEFORE YOU BOARD

Luggage *& Departure*

Entry documents, local essentials and final reminders

BAGGAGE ALLOWANCE

Please check your own airline ticket. International and connecting-flight cabin and checked-baggage limits vary by airline, route and fare type. Keep essentials, medication, a change of clothes and travel documents in hand baggage. Do not pack power banks in checked luggage.

ARRIVAL & LOCAL ESSENTIALS

Visa

All group visas have been applied for online. Indian passport holders are eligible for Indonesia's e-VoA / VoA visitor route; carry the issued approval and ensure the passport has at least six months' validity.

Time & Language

Bali uses WITA (UTC+8), which is **2 hours 30 minutes ahead of IST**. Bahasa Indonesia and Balinese are local languages; English is common in tourist areas.

Power & Money

Type C/F, 230V sockets are common. Currency is Indonesian rupiah (IDR). Use authorised money changers and cards where accepted.

For Nusa Penida

As this is a two-night stay, keep island essentials accessible for the boat transfer: medicines, swimwear, a change of clothes, toiletries and protected electronics.

AT THE AIRPORT

Before departure

- Reach Kolkata airport at least 3 hours early.
- Keep passport, visa, ticket and hotel information handy.
- Check airline baggage and transit rules yourself.

On the Crossing

- Follow life-jacket and crew instructions.
- Keep valuables and electronics in a waterproof pouch.
- Boat and snorkelling schedules may change for safety.

Selamat Jalan, Bali
